Pasan Perera	Sammy Slade (Board liaison) (absent)		
Sharon Patrick	Jeanette O'Connor (absent)		
Tim Turner (vice-chair)			

### Joint Review and Development Review Comments

The EAB participated in concept reviews for a single family home at 103 West Carr St. and for the Boer Brothers HVAC Company at 626 Highway 54. For the West Carr Street property, the EAB recommended that stormwater runoff not negatively impact adjacent properties and construction materials be obtained as locally as possible, and appreciates that the residence will not use more energy relative to the substantially smaller current residence. The EAB had no comments for the 626 Highway 54 project.

### Adjourn

The meeting was adjourned at 8:48 pm. The next meeting will be scheduled for 9/1/2016.
